Breakout: Working Sessions

- 3 lessons learned from the conference of how Asia 21 young leaders can change the world.
- Members of each breakout session jointly develop one public service project for the group to carry out over the course of the next year. Please see sheet in registration packet for more details.

Each group will be given a box filled with recyclable supplies. Using these “tools” and drawing from the experience and lessons of this Summit and the farthest limits of group creativity, delegates work to develop a presentation covering their three messages from the conference and their group public service project.

Lunch (*bento boxes delivered to each breakout session*)
